

American Society of Transplant Surgeons

June 13, 2016

Dear 2nd Year ASTS Fellow,

On behalf of the ASTS Fellowship Training Committee, we invite you to participate in the 10th Annual Surgical Fellows Symposium October 7–9, 2016, at South Seas Resort in Captiva, Florida. All 2nd year fellows in good standing in ASTS accredited training positions are invited to attend the symposium.

At the symposium, you will gain focused education on many fundamentals in transplant surgery, particularly in areas that have been identified as underemphasized in many training programs. The program provides didactic and interactive educational content combined with networking events that give you unparalleled opportunities for personal, one-on-one interaction with ASTS Council members, nationally recognized faculty experts, and peers.

Fellows' expenses associated with attendance at the event will be covered by ASTS, including:

- Coach-class airfare (up to \$550; ASTS will provide access to travel agency) **Any changes made to existing reservations will NOT be covered by ASTS;*
- Three nights' hotel accommodations;
- Ground transportation to/from hotel **There is transportation provided to/from Ft. Myers airport. ASTS will NOT cover expenses for rental cars or taxis;*
- Ground transportation reimbursement at departure city (up to \$50/each way);
- Travel day meal expenses (up to \$25/day for 2 days);
- All provided meals from breakfast on October 7 through breakfast on October 9.

Please use the [**ASTS Fellows Symposium Meeting Registration**](#) link to register for the symposium. You will need to sign in to the ASTS website. If you have forgotten your password, please use the "forgot password?" link on the login page. Once you sign in, please click on MEMBER PORTAL and select the ASTS Meeting Registration icon. From there, locate the Fellows Symposium registration form.

Registration must be completed by June 30, 2016.

We look forward to your participation in this event.

Sincere Regards,

Wendy J. Grant, MD
