2025 Programs & Partnership Opportunities

In the ever-evolving landscape of transplant surgery, collaboration with forward-thinking organizations offers an unparalleled opportunity to drive innovation. The American Society of Transplant Surgeons invites you to explore opportunities for partnership throughout this year. Together, we can advance the art and science of transplant surgery through patient care, research, education, and advocacy.

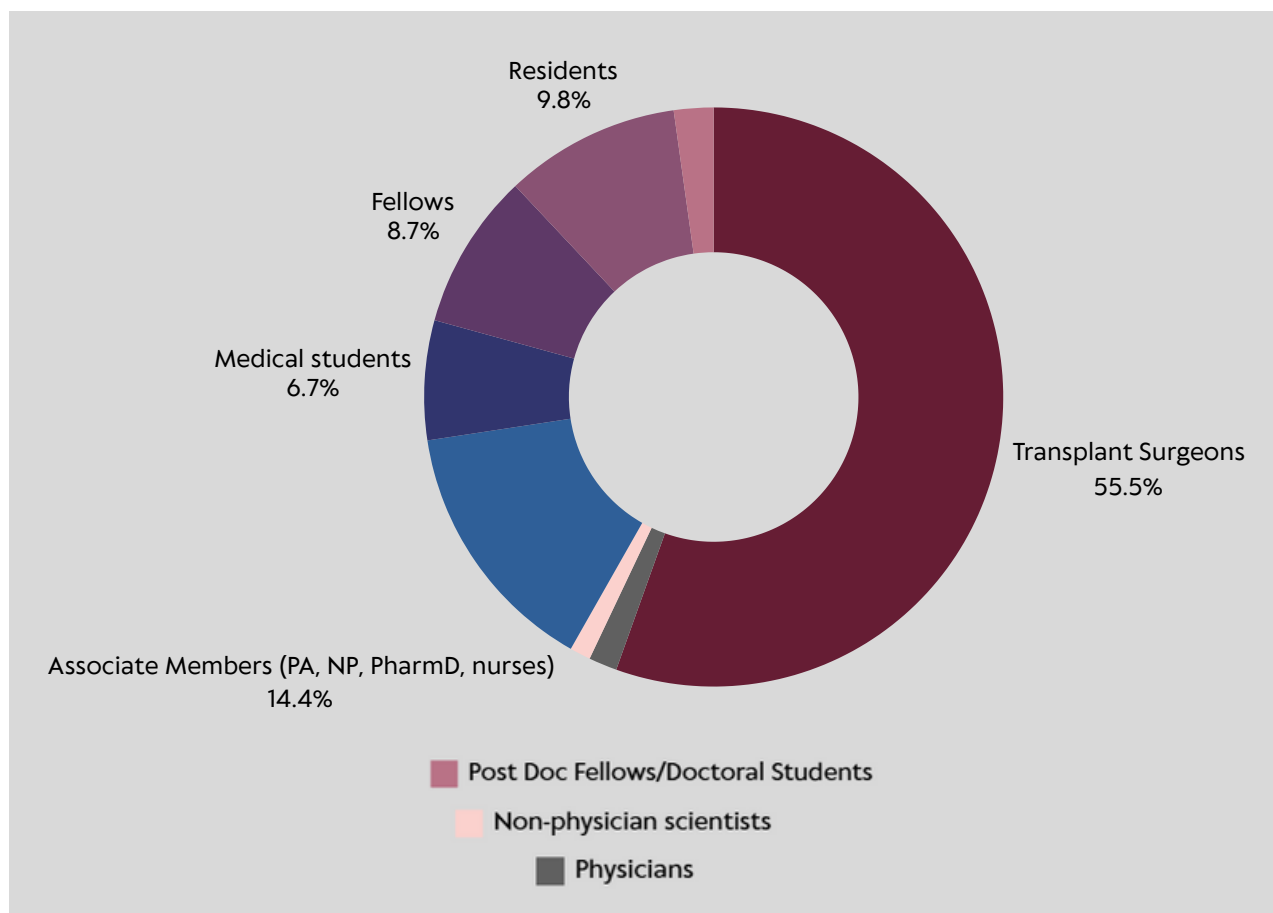

ASTS
American Society of
Transplant Surgeons

Who We Are

The American Society of Transplant Surgeons (ASTS) was founded in 1974 by 127 surgeons to unite the professionals who were advancing the fledgling field of organ transplantation. From this small group of dedicated individuals, we have grown to represent over 2,000 transplant professionals who are ***dedicated to saving and improving lives through the transformative power of organ donation and transplant surgery.*** ASTS advances the art and science of transplant surgery through patient care, research, education, and advocacy.

Year-Round Opportunities

Live Non-CME Webinar

\$10,000

One-hour webinar. Date and time is selected by the sponsor and approved by ASTS. ASTS will manage promotion and registration. Content and speaker selection is at discretion of sponsor. Recorded webinar can be made available on the ASTS Academic Universe at request of sponsor. CME is not available for sponsored webinars.

Annual ASTS Mobile App Sponsorship

\$20,000 annually

Yearly sponsorship. Display your logo on the splash screen of the ASTS mobile app, used for multiple events throughout the year including the Winter Symposium.

Women in Surgery Digital Book Sponsorship

\$15,000

As of January 2024, only 28% of ASTS members are women. Similarly, only 20% of transplant surgeons in the US are women. This digital book aims to raise awareness of women surgeons' stories and amplify their voices, with the hope of inspiring future generations of female transplant surgeons. By showcasing the achievements and experiences of women, we strive to foster a more inclusive and diverse future in transplant surgery. Sponsor will be recognized in book, on ASTS website, and in email communications.

Virtual Focus Group

\$15,000

Gain valuable insight from ASTS members. ASTS will assist sponsor with member recruitment and marketing. Sponsor will be responsible for content and delivery.

Social Media Post

\$8,000

Limit 2 per year per sponsor. Showcase your status as a valued partner of ASTS. Posted on either Facebook, LinkedIn, or X. Language must be approved by ASTS.

Chimera Sponsorship

\$15,000 annually

The Chimera is an ASTS blog written by members, featuring member spotlights, op-eds from leaders in the field, and more. Display a banner ad on the Chimera page on the ASTS website, as well as in Chimera-related email communications.

Pipeline Program Sponsorship

\$25,000 annually

Showcase your investment in the future of transplant surgery! Sponsor the events, initiatives, and communications of the ASTS Pipeline Committee. This includes Pints with Professors networking events at ASTS meetings. Funding in this area allows ASTS to increase outreach efforts to expand the transplant surgery pipeline. Sponsor will be recognized in person at events, on social media and the ASTS website, and in pipeline-related email communications.

Advanced Transplant Provider Program Sponsorship

\$25,000 annually

Become the official partner for all events, initiatives, and activities of the ATP Committee, which represents one of the most engaged groups of members within ASTS. This includes the ATP Reception and ATP volunteering event at the Winter Symposium, as well as other ATP initiatives you can read about on the [ATP Resources page on the ASTS website](#). Sponsor will be recognized on this page, in email communications to ATPs, and in-person at ATP events.

Patient Voice Initiative Sponsorship

\$25,000 annually

Become the official sponsor of one of the biggest focus areas of the Society for 2025. The goal of the Patient Voice Initiative is to amplify patient perspectives and engage patients in advocacy by sharing their valuable insights and unique stories. [Read more about the Patient Voice Initiative mission and activities on the ASTS website](#). The sponsor of this program will be recognized on the ASTS website, in email communications to participants, and at in-person events, where applicable.

Partner with the ASTS Foundation

The ASTS Foundation advances the field of transplantation by supporting the mission and activities of the American Society of Transplant Surgeons. The mission of the ASTS Foundation is to promote philanthropy in the field of transplant surgery.

Research Grants

\$5,000 and up

Showcase your commitment to furthering research in transplantation. Every year, the ASTS Foundation awards research grants to dedicated transplant professionals. Partner with the Foundation to provide research funding for an existing ASTS grant, or add a new opportunity to our portfolio! [Read more about the 2024 grant recipients on the ASTS website.](#)

Chimera Chronicles Sponsorship

\$50,000

Sponsor video production services for ASTS to continue its Chimera Chronicles. Discover more about the pioneers of transplant, from the legends themselves. [Watch past Chimera Chronicles interviews on the ASTS website.](#)

Corporate Giving Match

\$20,000 and up

Partner with the Foundation to drive enthusiasm about contributing on Giving Tuesday, or on another Foundation giving campaign. Match partners will be recognized extensively in email marketing campaigns, on social media, and on the ASTS website.

Recognition Awards Sponsorship

\$40,000

ASTS Recognition Awards recognize outstanding individuals in the field of transplant surgery annually. The Recognition Award program sponsor will be recognized on the ASTS website and in awards-related email communications. The sponsor will also be invited to attend the awards breakfast at the Winter Symposium and recognized on site at the meeting. [Read more about the 2024 Recognition Award recipients on the ASTS website.](#)

Advocacy

Day

Sponsorship Opportunities

April 16–17, 2025
Washington, DC

Transplant is at a critical crossroad. ASTS needs your support now more than ever.

ASTS members will be coming together on Capitol Hill this fall to advocate on the issues most important to transplantation:

- Support and Advise on OPTN Modernization. Advise Congress on the best policy avenues to assist the HRSA/HHS in remodeling OPTN Modernization so that our transplant system protects and improves the OPTN public private partnership enabling us to best serve our patients.
- Advance the Living Donor Protection Act (LDPA). Enlist Congress to pass the LDPA to remove disincentives to transplant by prohibiting life, disability, and long-term care insurance companies and to provide employee protection through the Family Medical Leave Act (FMLA) so workers can access FMLA to donate.
- Support Transplant Therapeutics. Educate Congress about the need to support crucial transplant therapies that improve transplant recipients quality of life and safety and prolong the life of their graft.

ASTS invites our corporate partners to show their support for legislative efforts by sponsoring Advocacy Day. This in-person event will consist of a dinner & training session to provide guidance and key tips on how to advocate to legislators, followed by a day of meetings with legislative staff on Capitol Hill.
