I. Disclosure of Relevant Financial Relationships

As the accredited provider for this activity, ASTS remains strongly committed to providing the best available evidence-based clinical information to participants of this educational activity and requires an open disclosure of any relevant financial relationships with commercial interests that create a conflict of interest. It is not the intent of ASTS to disqualify anyone from participating in this educational activity but to resolve any conflicts of interest that may arise from financial relationships with commercial interests. All conflicts of interest are reviewed by the ASTS CME Program to ensure that such situations are properly evaluated and, if necessary, resolved. ASTS educational standards pertaining to conflict of interest are intended to maintain the professional autonomy of the clinical experts inherent in promoting a balanced presentation of science. Our review process ensures that all ASTS CME activities are independent, objective, scientifically balanced presentations of information. Disclosure of any or no relevant financial relationships will be made available prior to educational activities.

II. The ASTS gratefully acknowledges **Sanofi US** and **Astellas** for their financial support of the 2016 Winter Symposium

III. Accreditation and Credit Designation Statements

The American Society of Transplant Surgeons (ASTS) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation Statement

The American Society of Transplant Surgeons designates this live activity for a maximum of 19.50 *AMA PRA Category 1 Credit(s)*TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CME credit hours are subject to change. Final CME credit hours will be provided on-site.

IV. CME/CE Instructions

Please take a brief moment to complete the evaluation for 2016 Winter Symposium, and claim your continuing education credits. Your feedback is very important to us in our ongoing effort to help meet your educational and professional practice needs and to deliver excellence at future educational activities.

You will be emailed instructions on claiming CME/CE. To begin, use the link applicable to your credentials and access your evaluation survey, claim your credits, and print your CE/CME Certificate and/or obtain a Certificate of Attendance. For CME Credit, you must claim no later than March 31, 2016.

For questions related to CME or a certificate of attendance, please email education@asts.org.

To claim CME:

- Login to the system using the information provided in the email you will receive after the activity.
- **Choose Sessions.** Click on the All Sessions tab and add the sessions you attended to your My Sessions list by clicking the add button next to each course you attended. If registered for a pre-meeting symposium, it should already appear on your list.
- **Fill out the Overall Evaluation.** Click the **Evaluate** button next to the Overall Evaluation. After evaluating, a check mark ✓ will appear indicating that your evaluation has been posted.

- **Enter your credits.** To claim credits, click on the CME box next to each course you attended. Indicate your credit amount for participation in each class.
- **Access your certificate.** Click the **My Certificates** tab to obtain your certificate.
- **Logout.** Click the **Logout** tab above to logout when finished.

V. MOC Instructions

Multiple sessions are MOC eligible this year, for up to 10.25 credits. Within the CME claim system, click on the blue test box (in the “Evaluate” column”) and answer the questions. When you have passed the test, a blue box will appear around the credits indicating the amount that counts toward MOC.
